In consideration of the payment of \$350.00 the undersigned parent or guardian of the member listed on this form agrees to the following conditions concerning the membership of the member in the Snow Busters Ski Club, Inc. (Trolls Ski Club):

Member's Name: _____ Age _____ Date of Birth ____/____/____

I plan on Skiing_____ Snowboarding_____ (Check One)

Ability Level (Circle One) N = (Never Skied / Snowboarded) I = (Learner) II = (Moderate) III = (Aggressive)

As a participant in the Snow Busters Ski Club, the member shall be entitled to participate in a supervised skiing/snowboarding program covering approximately ten Saturdays during the winter of 2016/17. There will be no make-up trips for any cancellations due to circumstances beyond the control of the club, such as weather, or a member missing the bus once it has departed. To the extent possible, trips will be canceled with sufficient notice. Attempts to make up any cancelled trips will be made, weather permitting.

The undersigned parent understands that this membership is non-transferable and non-refundable, and that the daily fee and meals are separate and in addition to the cost of membership. I understand that there is a daily fee which varies depending on which resorts we are going too. There is a \$50 fee charged for any cancelled membership prior to November 1st. After November 1st NO refunds will be given.

Since this fee includes supervision on the bus and while skiing each Saturday during the above period, the parent agrees to allow the supervisors of the club to supervise the member and to expel that child for disciplinary reasons to the extent and in the sole discretion of the supervisor, if it is warranted. The parent/guardian acknowledges that there will be no refund of membership fees due to the expulsion of that child for disciplinary reasons. The parent/guardian understands as well that the decision of the supervisor is final. In addition, the parent/guardian acknowledges that there will be no tobacco products, drugs, or alcohol permitted on the buses at any time, and the possession or use of any of these products by the member on the bus or during the trips will result in their expulsion from the program.

Because of the nature of skiing/snowboarding, the parent acknowledges that skiing/snowboarding is a dangerous sport and agrees that neither the club nor its supervisors shall be held liable for any accidents the member sustains. Further, the parent/guardian agrees to allow the supervisor of the club to seek what medical attention may be necessary for the member in the event of any such accident.
